## autumn 2019

The City of Geelong Bowls Club has quickly become a home for pekish and we are so happy to have added Geelong to our existing pekish locations at the Koorungal Golf Club in Altona and the Vue Grand Hotel in Queenscliff.

We invite you to try our pekish favourites and seasonal dishes as well as our regularly changing 'chef's specials'. Our team would be thrilled hearing your feedback and any suggestions you may have.

*'Our intention is for you to taste how much we care'*
